WKC NEWS BULLETIN – MARCH 2018 NO.637

Breeder Notes

"Kelpies for Cattle Work". Reference to a dog's ability to work cattle does not mean it works like a true cattle dog [heeler]. Kelpies can and do handle cattle successfully in a sheepdog like manner. Registration:- The parents of the stock listed are registered to either the National Stud Register of purebred Kelpies {reg. number= series of numerals only} or to the Appendix {reg. number starts "A". A3 or AM3 = minimum of 3 generations of recorded breeding. A2 = 2 generation, A1 = 1 generation, AF = Foundation no background breeding. Please note:- The listing of stock for sale in this section is restricted to Breeders currently listed on the WKC Breeders' Directory. WKC GUARANTEE means guaranteed under the terms drawn up by the WKC for its members. Disclaimer: Because of the obvious impossibility of ensuring that the advertisements below comply with the Trade Practice Act 1974 the WKC accepts no responsibility for statements of opinions expressed by its breeders.
