Dear WKC Members,

With the continued challenges and extension of border closures due to Covid-19 the SAYDA have decided we have no other choice but to cancel the NKFT CHAMPIONSHIP.

We are very disappointed for the people and businesses of Melrose and the committee members of the “Remarkable Yard Dog Committee” who have devoted alot of time and expense at getting this event organized.

We thank them for their support and what would have been great hospitality and hope they will be given the opportunity again in the not too distant future.

Yours faithfully,

Bev Kellock – Secretary
Lyndon Cooper - President
